YOUR SECURITY PARTNER

Activity & Alarm Monitoring

See who comes and when with the activity feed. Get real-time updates whenever someone rings the doorbell or triggers the alarm by hovering near the door.

Remote Unlock the Door

Lock and unlock your door from your app, anywhere in the world.

Send Temporary Password

Grant digital keys remotely that are valid for a few weeks, hours, or even minutes — using either a randomly generated code or your preferred code.

Download the Tuya app on iOS and Android.
