YOUR SECURITY PARTNER

## Activity & Alarm Monitoring

See who comes and when with the activity feed. Get real-time updates whenever someone rings the doorbell or triggers the alarm by hovering near the door.

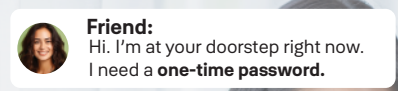

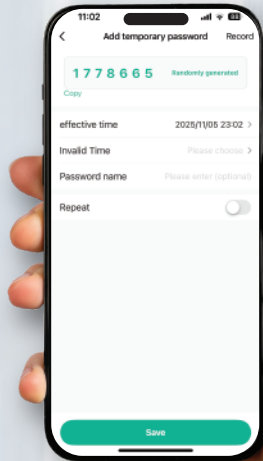

## Remote Unlock the Door

Lock and unlock your door from your app, anywhere in the world.

## Send Temporary Password

Grant digital keys remotely that are valid for a few weeks, hours, or even minutes — using either a randomly generated code or your preferred code.

Download the Tuya app on iOS and Android.
